REPORT OF THE SECRETARY-GENERAL ON THE UNITED NATIONS MISSION IN HAITI (UNMIH)

1. In paragraph 14 of resolution 867 (1993), by which the Security Council authorized the establishment of a United Nations Mission in Haiti (UNMIH), the Council requested me to submit progress reports on the implementation of UNMIH by 10 December 1993 and 25 January 1994.

2. Pursuant to that request, I submitted the first of these reports (S/26802) to the Security Council on 26 November 1993. In paragraphs 5 and 7 of that report, I observed that the mandate entrusted to UNMIH had been undermined by various developments in Haiti, which prevented the deployment of the Mission. As a result of these developments, it has not been possible until now to implement the mandate of UNMIH. I further noted that the reactivation of the Mission would be contingent on a substantial change of attitude on the part of the Haitian military leaders towards the implementation of the Governors Island Agreement.

3. Regrettably, there has been no such change since my last report, notwithstanding the efforts made on my behalf by my Special Representative and my staff as well as by the friends of the Secretary-General on the question of Haiti to break the existing deadlock.

4. Bearing in mind the decision contained in the letter of the President of the Security Council to me dated 10 December 1993 (S/26864) to continue the mandate of UNMIH for the full six-month period authorized by resolution 867 (1993), I shall keep the members of the Council informed about any developments relevant to UNMIH's mandate.
